

The logo features the text "e-SMARTkids" in a blue, hand-drawn font. The "e" is lowercase and the "SMART" is uppercase. The word "kids" is in a smaller, lowercase font. The text is positioned over a white lightbulb with a yellow glow and radiating lines, suggesting energy and ideas.The logo for UniSource Energy SERVICES. "UniSource" is in blue, "Energy" is in green, and "SERVICES" is in blue. A green arc is above "UniSource".

I have completed all four sections of Energy-SMART!

Learn About Energy

Use Energy Efficiently

Help the Environment

Tell Me More

***I promise to use energy wisely and efficiently at home and at school,
and to help my family and friends do the same!***
